Premiums are payable to age 98 or death, whichever occurs first. For information about the amount you are eligible to convert, please refer to the Conversion of Life Insurance provision of your group life insurance certificate or the group policy. Our minimum issue amount is \$2,000.

To calculate your premium, find your present age and the corresponding **table rate per \$1,000** from the columns below. Multiply this premium by the number of thousands of dollars of insurance you plan to convert. Then multiply by the premium factor and add the modal policy fee to find your premium payment.
