### U&C Disclosure

Usual and Customary ("U&C") describes those dental charges that we have determined to be the usual and customary charge for a given dental procedure within a particular ZIP code area. U&C levels are based on experience from the Company and an independent outside source of claim charge information.

### Maximum Procedure Allowance (MPA)

- With MPA, the plan allowance for each covered procedure is established according to the median dentist charges in the ZIP Code area where services are provided.
- Keeps cost-conscious plan members from subsidizing those who use more expensive dentists.
- Reimbursement allowances automatically adjust if there’s an increase or decrease in the overall charges in the area.

Ameritas RewardsSM (Feature with High Plan)

Ameritas Rewards is an enhanced product that offers an increased maximum for orthodontia as well as dental. It allows members to utilize unused dental maximum carryover amounts from previous years towards dental benefits or up to $100 for additional orthodontia coverage. Employees and their covered dependents may accumulate dental rewards with an unlimited maximum carryover amount. These rewards can be used to increase the maximum for dental or orthodontia subject to applicable deductible, coinsurance and plan provisions. If a plan member doesn’t submit a dental claim during a benefit year, all accumulated rewards are lost. A member is eligible to earn rewards again the next year.

Dental Rewards® (Feature with Low Plan)

This dental plan includes a valuable feature that allows qualifying plan members to carryover part of their unused annual maximum. A member earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. In addition, a person earning dental rewards who submits a claim for services received through the dental network earns an extra reward, called the PPO Bonus. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan member doesn’t submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

To find a provider, visit ameritas.com and select FIND A PROVIDER, then DENTAL. Enter your criteria to search by location or for a specific dentist or practice.
