

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, [www.egtrust.org](http://www.egtrust.org). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	<b>\$400</b> Individual, <b>\$1,200</b> Family	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes, Preventive Care, Emergency Room and Physician Office Visits are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	No	You don't have to meet <a href="#">deductibles</a> for specific services.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	<b>\$1,300</b> Individual, <b>\$3,900</b> Family (deductible & coinsurance); Affordable Care Act (ACA) Cost Share Maximum: <b>\$6,600</b> Individual, <b>\$13,200</b> Family (all out-of-pocket combined)	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Premiums, penalties, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. See <a href="http://www.egtrust.org">www.egtrust.org</a> or call 800-397-9598 for a list of <a href="#">network providers</a> .	The plan does not use a provider network for hospitals and other facilities. The plan uses a provider network only for physician services and certain ancillary services. The plan benefit levels (copays, coinsurance and out-of-pocket limits) are the same whether you use network or out-of-network providers, but your costs may be different depending on what the providers charge. You may also be balance billed for out-of-network services.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No. You don't need a referral to see a <a href="#">specialist</a> .	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
