Dear Participating Employer Group ~

Attached is the updated January 1, 2013 Summary of Benefits for the Bronze Plan. As highlighted in the Winter newsletter, changes to the deductible and out of pocket maximum are being made consistent with the rules of the IRS.

Should you wish to have copies on the color coded sheets sent to you please email Krista Gotto with the number of copies and she will get them to you as soon as possible.

Also, Krista and I will both be out of the office all next week on vacation. Should any of your employees contact you with questions about their health plan, as always, you should refer them to the following. The Care Coordinators will be available to assist members.
