Dear Participating Employer Group ~

Attached is a memo detailing the changes that were approved at the May 9, 2012 meeting. It is important the membership is aware of the upcoming changes that may impact them. Specifically, the move to CVS/Caremark may cause some minor disruption and it's important the membership is aware of what is required to smoothly transition to the CVS/Caremark program. The following documents mentioned in the memo are attached and will also be posted on the website at www.egtrust.org by Monday, May 14th:

- 28 retail pharmacies not currently part of the CVS Caremark network
- 2012 CVS Caremark Performance Drug List
- Excluded Drugs List

This information will also be covered in detail in the Summer newsletter we expect to have prepared and sent to you by **May 21, 2012**. As always, we request you distribute the newsletter to your membership and/or make them aware the newsletter is available on www.egtrust.org.

You won't want to miss the 12th Annual Administration Meetings July 25th – July 27th, 2012. Two main highlights of the meeting:

- ***CVS Caremark Program implementation and how to assure a smooth transition.***
- ***Egyptian Trust Coordinated Health/Care program will also be rolled out and discussed in detail. This program is not only a tremendous benefit to the membership but is also designed to assist groups in the Open Enrollment and New Hire Process.***

If you have not yet made your reservation for the upcoming meetings, please do so by completing the attached invitation. We look forward to seeing all of you.

Keep in mind, all email correspondence to participating employer groups is also accessible to you (within 24 hours of the send date and time) on the secure side of the Egyptian Trust website. Login to the secure side of the site using your username and password.
