This email is being sent to all of the Superintendents, Board of Managers Members and Bookkeepers we have on file for the Egyptian Trust. If you received this email in error please forward to the appropriate party and contact Krista Breakfield at the Metro East Service Office of Meritain Health to update the contact information.

Dear Participating Employer Group ~

The following message is from Delta Dental of Illinois. I have been asked to send this information while Delta Dental is in the process of setting up the schools information. Upon completion, they will begin to directly communicate with you in reference to their program. Meritain is in the process of revising the enrollment form and the enrollment change form so you may continue to use a single form for enrollments in most of the Egyptian Trust endorsed programs. Please review the following carefully along with the attached information so you will know who to contact when you have questions concerning this program. Thank you and have a great day. Karen

Effective September 1, 2010, your dental coverage will be effective through Delta Dental of Illinois. This e-mail is to introduce the Delta team who will assist in getting your group set up in Delta's system and to provide you with information about your new dental plan. At the Bookkeepers meetings July 28th, 29th and 30th this information and more will be reviewed and you will be provided with training to help you administer your district's dental plan.

Attached is a contact sheet with phone numbers and e-mail addresses for Customer

Service, me and Steve Soyke. This information is meant for the district administrators only. Please do not share these with employees, as they will use the 800# for Customer Service (after July 1st as indicated in the Summer Newsletter published by Meritain Health), or let you know if they are unable to get their question answered. If you have questions, you can contact Customer Service at 1-800-323-1743. They will be able to answer general questions about your plan. You may contact me or Steve at the e-mail addresses/phone numbers on the attached if you have further questions.

FINDING A NETWORK DENTIST – This piece provides information to guide you through looking for a network dentist. You will have access to two of Delta's networks – PPO and Premier and you can go Out of Network, if you choose. Your out of pocket savings is the greatest when you go to a PPO dentist because they agree with Delta to discount their rates. You can still achieve savings by using a Premier dentist.

Finding a Network Dentist Layout 11.13.08.pdf

PLAN HIGHLIGHT SUMMARIES – These summaries provide a brief overview of the two plans you will be able to choose from. If you want to participate, you must enroll at open enrollment, which would make your coverage effective September 1, 2010. If you do not enroll at open enrollment, you will not be allowed to come onto the plan until your next open enrollment period, unless there is a qualifying event (loss of coverage elsewhere, marriage, divorce, etc.). If you previously waived enrollment into the prior carrier's voluntary dental plan you will have the option of enrolling on September 1, 2010. This includes those who may have previously retired and dropped or waived enrollment in the previous voluntary dental plan. Also, if you were previously enrolled in the Low Plan and wish to move to the High Plan (and vice versa) you may do so on September 1, 2010. Once you are enrolled with Delta Dental, there are no waiting periods to have major services covered.

ENROLLMENT – If you were previously enrolled in one of the voluntary dental plans and wish to remain in that plan as of September 1, 2010 you do not need to do anything. The transfer of your eligibility record will be automatic. However, if you wish to make any changes to your enrollment, you must complete the Enrollment Change Form and return it to your employer during the open enrollment process in order for those changes to become effective on September 1, 2010.
