Dear Participating Employer Group ~

As discussed at the most recent annual administration meetings, we will be sending a significant amount of correspondence to the employee's homes to explain the new CVS Caremark Prescription Drug Program which becomes effective September 1, 2012.

As documents are mailed to the employee's homes we will be sending you an email with copies of the correspondence they will be receiving so that you will see what they are receiving.

Attached to this email is the SAMPLE letter that was sent on August 10th to ONLY those members who are currently taking an Excluded Medication. Included in this email and in each packet to the affected members homes is the following information:

- Letter to affected members explaining what action they need to take to change to a covered medication
- List of Excluded Drugs and covered alternative medications

Please be watching your email through the month of August for copies of the information being sent to the member's homes.

Regards,

Karen L. Giles
