This email is being sent to all of the Superintendents, Board of Managers Members and Bookkeepers we have on file for the Egyptian Trust. If you received this email in error please forward to the appropriate party and contact Krista Breakfield at the Metro East Service Office of Meritain Health to update the contact information.

Dear Participating Employer Group ~

As we previously communicated to you via email on 6/20/12, the Egyptian Trust Coordinated Health/Care program will become effective September 1, 2012.

As we ramp up to get this program started there will be several pieces of correspondence being mailed directly to the employees homes. Attached is a letter that was mailed yesterday to employee's homes to introduce the new program. As the documents are sent to employees homes we will email them to all of the participating groups so that you have a copy of what the employee's are receiving.

*Please note that this new program pertains to the health plan benefits.* You and your employee's will continue to contact Delta Dental for voluntary dental questions, UniView for voluntary vision questions, and Lincoln Financial for life insurance questions.

This new program will have a positive impact and will greatly assist you in the way you handle your health plan open enrollment for your membership this year. This program will be reviewed in full detail at the upcoming 12<sup>th</sup> Annual Administration meetings of the Egyptian Trust. If you have not sent in your reservation yet, please do so at your earliest convenience. We'd like to be sure we have enough materials to accommodate all attendees.

We look forward to another record year of participation at the meetings.

Wishing you all a happy and safe Independence Day!

Regards,  
Karen
