Dear Participating Employer Group ~

As we discussed at last week's meetings, we will be sending a significant amount of correspondence to the employee's homes to explain the new Egyptian Area Schools Coordinated Health/Care program (including new ID cards), the new CVS Caremark Prescription Drug Program, and the upcoming Lincoln Financial OPEN enrollment to become effective on January 1, 2013.

As documents are mailed to the employee's homes we will be sending you an email with copies of the correspondence they will be receiving so that you will see what they are receiving.

Attached to this email is the SAMPLE letter that was sent yesterday **only** to those members who are currently taking a specialty medication. Also, attached is a list of the specialty medications that was included with the letter to the member. Members who are taking any of the drugs on this list will need to contact Caremark to get started using their specialty pharmacy.

Please be watching your email through the month of August for copies of the information being sent to the member's homes.

Regards,

Karen L. Giles
