Dear Participating Employer Group ~

As discussed at the most recent annual administration meetings, we will be sending a significant amount of correspondence to the employee's homes to explain the new CVS Caremark Prescription Drug Program which becomes effective September 1, 2012.

As documents are mailed to the employee's homes we will be sending you an email with copies of the correspondence they will be receiving so that you will see what they are receiving.

Attached to this email is the SAMPLE letter that is being sent today to those members who are currently covered by one of the Egyptian Trust Health Plans. Included in this email and in each packet to the members homes is the following information:

- Letter to members explaining the change and that action may be required by those currently using Home Delivery.
- Performance Drug List listing those most commonly used preferred drugs

- Brochure about getting started with CVS Caremark Mail Service (aka Home Delivery)
- CVS Caremark Mail Order form
- FastStart with Mail Order (aka Home Delivery)
- Making the Most of your Prescription Benefit

Please be watching your email through the month of August for copies of the information being sent to the member's homes.

Regards,

Karen L. Giles
