This email is being sent to all of the Superintendents, Board of Managers Members and Bookkeepers we have on file for the Egyptian Trust. Dear Participating Employer Group ~

Please see the attached rate sheets representing the rates that will become effective on September 1, 2012. The rates are specific for the Health, Dental, and Vision coverage for Active employees, Retired employees, COBRA participants, and Surviving dependents.

Please make note of the following reminders:

- Meritain ONLY bills and collects premium directly from COBRA participants. Upon notification of a qualifying event from you, the employer, Meritain will make the appropriate offer and bill and collect premium upon the Qualified Beneficiaries election to continue coverage.
- Meritain bills each individual employer group for all coverage and products for retired employees. Retired employees will appear on your monthly bill. You are expected to collect the appropriate premium from each of your retired employees.
- Remember that life insurance (basic and optional) ends upon retirement. Please be sure to send in a change of status (from active to retired) to Meritain so we know the effective date to discontinue billing for the life insurance. Retired employees may NOT add dependents after their retirement date.
- Meritain bills each individual employer group for all coverage and products for surviving dependents. Surviving dependents may continue under the Egyptian Trust Plans as long as they remain an eligible dependent (In the case of a spouse until they re-marry or in the case of a dependent child as long as they continue to meet the definition of a dependent child). Surviving dependents will appear on your monthly bill. You, the employer are expected to collect the appropriate premium from each of your surviving dependents and remit to Egyptian Trust.

Please feel free to let me know if you have any questions. Thank you and have a great week!
