Dear Participating Employer Group:

Please click on the following link to complete this survey. This survey was created in order to better assess the needs and server the membership of the Egyptian Trust. We request that one survey per participating employer group completes this survey. The best person to complete is that staff member who is well versed in the employee benefits and employer/employee agreements within your district or ROE. We ask that you set aside some time (shouldn't take more than 30 minutes) to complete this survey to the best of your knowledge. If you find that you are unable to complete the survey in a single session, you may revisit the survey at a later time. **Please complete at your earliest convenience but no later than Friday, January 27, 2014.**
