

How to view your Blueprint for Wellness Results Online

3-4 days after your blood draw, you are able view your results online (assuming Quest received your eligibility information)

If you registered for your appointment online:

- 1) Go to my.blueprintforwellness.com
- 2) Under “Returning Participant” enter your username and password, then click “Submit”
 - If you forgot your username or password, click on “Forgot Password” and follow the prompts
 - If you are still experiencing difficulties, call the Blueprint for Wellness Call Center at 1-866-908-9440
- 3) Once you have signed in, click on “Review Results” and you may view your results online

If you made your appointment through the Blueprint for Wellness Call Center or you were a walk-in during the event:

- 1) Go to my.blueprintforwellness.com
- 2) Under “New Participant” enter your registration key: **egyptian** then click “Submit”
- 3) You will be prompted for your Unique ID and DOB, then “Submit”.
- 4) Verify that your information is correct, create a username and password, and select a secret question and answer, then click “Submit”
- 5) On the next screen, click on “Review Results” and you may view your results online
