Subject: LabCard announces 2 additional collection sites !
Attachments: Effingham IL collection site announcement 8-12-11.pdf; Harrisburg, IL collection site announcement 8-19-11.pdf

This email is being sent to all of the Superintendents, Board of Managers Members and Bookkeepers we have on file for the Egyptian Trust. If you received this email in error please forward to the appropriate party and contact Krista Breakfield at the Metro East Service Office of Meritain Health to update the contact information.

Dear Participating Employer Group ~

Please see the attached announcements where LabCard has entered into agreement with two providers as LabCard collection sites. One of the sites is in Effingham, the other in Harrisburg. Please share this information with your employees covered by one of the Egyptian Trust Health Plans.

Meritain continues to work with LabCard to attempt expansion of the LabCard collection sites in the areas that are currently limited.

For those members who may not have access to a LabCard contracted facility, LabCard is happy to reach out to your physician's to see if they have the ability to provide a specimen collection in their office and to work with them to send those specimens to Quest Diagnostics for their Lab Card patients. If you would like LabCard to contact these physicians, you must provide the following information and email that information to MetroMeritain@meritain.com.

Name of Physician
Name of Practice
Address of Practice
Phone number of Practice

You may check the website at www.labcard.com periodically to find LabCard providers available to you in your area.

Sincerely,

Karen L. Giles
