Dear First,

Egyptian Trust genuinely cares about your well being, which is why beginning on September 1, 2012, your Egyptian Trust health benefits plan will include *Coordinated Health/Care™*, an exciting new enhancement to help you manage your health and get the most out of your benefits.

Also starting September 1, 2012, your Pharmacy Benefits Manager (PBM) will switch from Express Scripts to Caremark.

Egyptian Trust Coordinated Health/Care serves as a single-point-of contact for all of your healthcare needs, including questions about benefits, claims, and prescription coverage. You won't have to call multiple phone numbers to get all of your questions answered. Instead, any healthcare question can be directed to a single toll-free number and website.

Care Coordinators: The Heart of *Coordinated Health/Care*

Egyptian Trust Coordinated Health/Care directs all of your questions and concerns to a highly-responsive team of Care Coordinators. This team of warm and caring medical and benefits professionals will help you, your family, and your physicians work together to ensure you get the most out of your benefits and help you take better care of yourself. If you've ever wished you had someone to help you find answers when it comes to your health and benefits, now you do!

Open Enrollment Coming Soon

Egyptian Trust requires *new employees* to enroll in health, dental, vision, and life insurance plans within 31 days of their first date of active employment (or the date they are first eligible). Elections are irrevocable until the next Open Enrollment period unless there is a qualifying event. *All employees* have the opportunity to make changes to their existing elections during Open Enrollment. The next Open Enrollment takes place **August 1 – September 30, 2012**, and that is when you will be able to select or make changes to health, dental, and vision plans for you and your family.

Look for more information, including detailed plan options and new health plan ID cards, in the mail.

Here's to your health!
