PRESCRIPTION DRUG CARD BENEFIT

Mail Order and Participating Retail Pharmacies

Beginning September 1, 2010 you may not purchase more than a 30 day supply of any prescription drug at a retail pharmacy. You may purchase a 30 day supply of maintenance drugs at a retail pharmacy, but after the first two fills, if you continue to choose to fill maintenance drugs at a retail pharmacy (rather than Home Delivery), you will pay double the normal copay for a 30 day supply, as shown below.

Also, beginning September 1, 2010 you will be required to purchase specialty drugs through CuraScript Specialty Pharmacy. Specialty drugs are very high cost biologic and injectable drugs that are not typically stocked by retail pharmacies. If a member tries to fill a specialty script at retail, the pharmacy will notify the member that the drug must be ordered from Curascript. You may begin using CuraScript for those specialty medications at any time by calling 866-848-9870.
