Subject: September 2012 Bill

This email is being sent to all of the Superintendents, Board of Managers Members and Bookkeepers we have on file for the Egyptian Trust. If you received this email in error please forward to the appropriate party and contact Krista Gotto at the Metro East Service Office of Meritain Health to update the contact information.

The September 2012 is now available. Due to the open enrollment period we held this up as long as we could in order to get as many adjustments as possible on the bill.

Please note: You'll recall at the most recent Administration meetings, Lincoln Financial addressed the change that the age reduction at age 65 and then at 70 will now only apply when an active employee reaches age 70. This became effective on 8/1/12. Due to this change, adjustments are necessary to those age 65-69 active employees with life insurance. Those adjustments are NOT on the September bill but will be reflected on the October bill.

Warmest regards,

Karen
