If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

## NOTICE FOR RESIDENTS OF THE STATE OF CALIFORNIA

California law provides that for dental insurance, domestic partners of California's residents must be treated the same as spouses. If the certificate does not already have a definition of domestic partner, then the following definition applies:

**“Domestic Partner** means each of two people, one of whom is an employee of the Employer, a resident of California and who have registered as domestic partners or members of a civil union with the California or another government recognized by California as having similar requirements.

For purposes of determining who may become a Covered Person, the term does not include any person who:

- is in the military of any country or subdivision of a country;
- is insured under the Group Policy as an employee.”

If the certificate already has a definition of domestic partner, that definition will apply to California residents, as long as it recognizes as a domestic partner any person registered as the employee's domestic partner with the California government or another government recognized by California as having similar requirements.

Wherever the term Spouse appears, except in the definition of Spouse, it shall be replaced by Spouse or Domestic Partner.

Wherever the term step-child appears, it is replaced by step-child or child of Your Domestic Partner.

## **NOTICE FOR RESIDENTS OF MASSACHUSETTS (Continued)**

**The following provisions are required by Massachusetts law.**

### **Summary of Utilization Review Procedures**

MetLife reviews claims for evidence of need for certain dental procedures. These reviews are conducted by licensed dentists. If there is no evidence of need MetLife will deny benefits for a claim. MetLife also reviews claims to determine whether there exists a less costly treatment for a dental condition that is generally considered effective to treat the condition. If a less costly alternative treatment exists, MetLife will determine benefits based on the alternative treatment. If you want to determine the status of any such claim review, you can call MetLife at 1-800-275-4638.

### **Summary of Quality Assurance Programs**

MetLife performs a check on certain credentials of any dentist applying to participate in MetLife's Participating Dentist Program (PDP). If the credentials do not meet MetLife's standards, for example if a dentist does not have a valid license, the dentist will not be permitted to participate in the PDP. MetLife does not interfere with the traditional relationship between PDP dentists and their patients, or any determination between the patient and dentist as to what the appropriate dental treatment may be. MetLife dental plans also allow you to choose between any dentist, whether they participate in the PDP or not. Therefore you should choose your dentist carefully, and you are responsible to be sure that your dentist delivers quality dental care.

### **Involuntary Disenrollment Rate**

The involuntary disenrollment rate among insureds of MetLife is 0.

# NOTICE FOR RESIDENTS OF UTAH

## Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o \$500,000 in death benefits
  - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
  - o \$500,000 in hospital, medical and surgical insurance benefits
  - o \$500,000 in long-term care insurance benefits
  - o \$500,000 in disability income insurance benefits
  - o \$500,000 in other types of health insurance benefits
- Annuities
  - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

**Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.**

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at [www.utlifega.org](http://www.utlifega.org) or contact:

### **DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS**

#### **Claim Submission**

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

#### **Appealing the Initial Determination**

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee;
- Name of the Plan;
- Reference to the initial decision;
- Whether the appeal is the first or second appeal of the initial determination;
- An explanation why You are appealing the initial determination.

As part of each appeal You may submit any written comments, documents, records or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final determination within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the 30 day period, state the reason(s) why an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

#### **Policies and Procedures for Emergency and Urgent Care**

Urgent care and Emergency services: All member dentists of the MetLife Preferred Dentist Program are required to have 24-hour emergency coverage or have alternate arrangements for emergency care for their patients. Since the MetLife Preferred Dentist Program is a freedom-of-choice PPO program, there is no primary care physician. No authorization of a service is necessary by a Primary Care Physician, nor is it necessary to obtain a pre-authorization of services. The patient is free to use the dentist of their choice. An important distinction to be made for this section is the difference between Urgent Care in a dental situation versus that found in medical. Urgent care is defined more narrowly in dental to mean the alleviation of severe

## **NOTICE FOR RESIDENTS OF VIRGINIA (CONTINUED)**

pain (as there are no life-threatening situations in dental). Additionally, the alleviation of pain in dental is a simple palliative treatment, which is not subject to claim review.

The benefit amount will be consistent with the terms contained in the insured's contract.

### **Urgent Care Submission:**

A small number of claims for dental expense benefits may be urgent care claims. Urgent care claims for dental expense benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted MetLife will notify you of the determination on the claim as soon as possible, but no later than 72 hours after the claim is filed. If you or your covered dependent does not provide the claims administrator with enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify you or your covered dependent of its decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing. However, MetLife may notify you by phone within the same time frames above and then mail you a written notice.

## **EVIDENCE OF INSURABILITY**

No evidence of insurability is required for the insurance described in this certificate.

## DENTAL INSURANCE

If You or a Dependent incur a charge for a Covered Service, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

This Dental Insurance gives You access to Dentists through the MetLife Preferred Dentist Program (PDP). Dentists participating in the PDP have agreed to limit their charge for a dental service to the Maximum Allowed Charge for such service. Under the PDP, We pay benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, You may be able to reduce Your out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with Us to limit their charges. You are always free to receive services from any Dentist. You do not need any authorization from Us to choose a Dentist.

The PDP does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, We will determine the extent to which benefits, if any, are payable.

When requesting a Covered Service from an In-Network Dentist, We recommend that You:

- identify Yourself as an insured in the Preferred Dentist Program; and
- confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

You can obtain a customized listing of MetLife's In-Network Dentists either by calling 1-800-275-4638 or by visiting Our website at [www.metlife.com/dental](http://www.metlife.com/dental).

## BENEFIT AMOUNTS

We will pay benefits in an amount equal to the Covered Percentage for charges incurred by You or a Dependent for a Covered Service as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

### In-Network

If a Covered Service is performed by an In-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible; and
- any other part of the Maximum Allowed Charge for which We do not pay benefits.

### Out-of-Network

If a Covered Service is performed by an Out-of-Network Dentist, We will base the benefit on the Covered Percentage of the Reasonable and Customary Charge.

Out-of-Network Dentists may charge You more than the Reasonable and Customary Charge. If an Out-of-Network Dentist performs a Covered Service, You will be responsible for paying:

- the Deductible;
- any other part of the Reasonable and Customary Charge for which We do not pay benefits; and
- any amount in excess of the Reasonable and Customary Charge charged by the Out-of-Network Dentist.

## **DENTAL INSURANCE (continued)**

### **Maximum Benefit Amounts**

The Schedule of Benefits sets forth Maximum Benefit Amounts We will pay for Covered Services received In-Network and Out-of-Network. We will never pay more than the greater of the In-Network Maximum Benefit Amount or the Out-of-Network Maximum Benefit Amount.

For example, if a Covered Service is received Out-of-Network and We pay \$300 in benefits for such service, \$300 will be applied toward both the In-Network and the Out-of-Network Maximum Benefit Amounts applicable to such service.

### **Deductibles**

The Deductible amounts are shown in the Schedule of Benefits.

The Yearly Individual Deductible is the amount that You and each Dependent must pay for Covered Services to which such Deductible applies each Year before We will pay benefits for such Covered Services.

We apply amounts used to satisfy Yearly Individual Deductibles to the Yearly Family Deductible. Once the Yearly Family Deductible is satisfied, no further Yearly Individual Deductibles are required to be met.

The amount We apply toward satisfaction of a Deductible for a Covered Service is the amount We use to determine benefits for such service. The Deductible Amount will be applied based on when Dental insurance claims for Covered Services are processed by Us. The Deductible Amount will be applied to Covered Services in the order that Dental Insurance claims for Covered Services are processed by Us regardless of when a Covered Service is "incurred". When several Covered Services are incurred on the same date and Dental Insurance benefits are claimed as part of the same claim, the Deductible Amount is applied based on the Covered Percentage applicable to each Covered Service. The Deductible Amount will be applied in the order of highest Covered Percentage to lowest Covered Percentage.

### **Alternate Benefit**

If We determine that a service, less costly than the Covered Service the Dentist performed, could have been performed to treat a dental condition, We will pay benefits based upon the less costly service if such service:

- would produce a professionally acceptable result under generally accepted dental standards; and
- would qualify as a Covered Service.

For example:

- when a filling and an inlay are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service;
- when a filling and a crown are both professionally acceptable methods for treating tooth decay or breakdown, We may base Our benefit determination upon the filling which is the less costly service; and
- when a partial denture and fixed bridgework are both professionally acceptable methods for replacing multiple missing teeth in an arch, We may base Our benefit determination upon the partial denture which is the less costly service.

If We pay benefits based upon a less costly service in accordance with this subsection, the Dentist may charge You or Your Dependent for the difference between the service that was performed and the less costly service. This is the case even if the service is performed by an In-Network Dentist.

Certain comprehensive dental services have multiple steps associated with them. These steps can be completed at one time or during multiple sessions. For benefit purposes under this certificate, these separate steps of one service are considered to be part of the more comprehensive service. Even if the dentist submits separate bills, the total benefit payable for all related charges will be limited by the maximum benefit payable for the more comprehensive service. For example, root canal therapy includes x-rays, opening of the pulp chamber, additional x-rays, and filling of the chamber. Although these services may be performed in multiple sessions, they all constitute root canal therapy. Therefore, we will only pay benefits for the root canal therapy.

## **DENTAL INSURANCE (continued)**

### **Orthodontic Covered Services**

Orthodontic treatment generally consists of initial placement of an appliance and periodic follow-up visits.

The benefit payable for the initial placement will not exceed 20% of the Maximum Benefit Amount for Orthodontia.

The benefit payable for the periodic follow-up visits will be based on the lower of:

- the amount charged by the Dentist; and
- the Maximum Benefit Amount for Orthodontia.

The benefit payable for the periodic follow-up visits will be payable on a monthly basis during the scheduled course of the orthodontic treatment if:

- Dental Insurance is in effect for the person receiving the orthodontic treatment; and
- proof is given to Us that the orthodontic treatment is continuing.

### **Benefits for Orthodontic Services Begun Prior to this Dental Insurance**

If the initial placement was made prior to this Dental Insurance being in effect, the benefit payable will be reduced by the portion attributable to the initial placement.

If the periodic follow-up visits commenced prior to this Dental Insurance being in effect:

- the number of months for which benefits are payable will be reduced by the number of months of treatment performed before this Dental Insurance was in effect; and
- the total amount of the benefit payable for the periodic visits will be reduced proportionately.

### **Pretreatment Estimate of Benefits**

If a planned dental service is expected to cost more than \$300, You have the option of requesting a pretreatment estimate of benefits. The Dentist should submit a claim detailing the services to be performed and the amount to be charged. After We receive this information, We will provide You with an estimate of the Dental Insurance benefits available for the service. The estimate is not a guarantee of the amount We will pay. Under the Alternate Benefit provision, benefits may be based on the cost of a service other than the service that You choose. You are required to submit Proof on or after the date the dental service is completed in order for Us to pay a benefit for such service.

The pretreatment estimate of benefits is only an estimate of benefits available for proposed dental services. You are not required to obtain a pretreatment estimate of benefits. As always, You or Your Dependent and the Dentist are responsible for choosing the services to be performed.

### **Benefits We Will Pay After Insurance Ends**

We will pay benefits for a 31 day period after Your Insurance ends for the completion of installation of a prosthetic device if:

- the Dentist prepared the abutment teeth or made impressions before Your Insurance ends; and
- the device is installed within 31 days after the date the Insurance ends.

We will pay benefits for a 31 day period after Your Insurance ends for the completion of installation of a Cast Restoration if:

- the Dentist prepared the tooth for the Cast Restoration before Your Insurance ends; and
- the Cast Restoration is installed within 31 days after the date the Insurance ends.

We will pay benefits for a 31 day period after Your Insurance ends for completion of root canal therapy if:

- the Dentist opened into the pulp chamber before Your Insurance ends; and
- the treatment is finished within 31 days after the date the Insurance ends.

## DENTAL INSURANCE: COORDINATION OF BENEFITS

When You or a Dependent incur charges for Covered Services, there may be other Plans, as defined below, that also provide benefits for those same charges. In that case, We may reduce what We pay based on what the other Plans pay. This Coordination of Benefits section explains how and when We do this.

### DEFINITIONS

In this section, the terms set forth below have the following meanings:

**Allowable Expense** means a necessary dental expense for which both of the following are true:

- a Covered Person must pay it, and
- it is at least partly covered by one or more of the Plans that provide benefits to the Covered Person.

If a Plan provides fixed benefits for specified events or conditions (instead of benefits based on expenses incurred) such benefits are Allowable Expenses.

If a Plan provides benefits in the form of services, We treat the reasonable cash value of each service performed as both an Allowable Expense and a benefit paid by that Plan.

**The term does not include:**

- expenses for services performed because of a Job-Related Injury or Sickness;
- any amount of expenses in excess of the higher reasonable and customary fee for a service, if two or more Plans compute their benefit payments on the basis of reasonable and customary fees;
- any amount of expenses in excess of the higher negotiated fee for a service, if two or more Plans compute their benefit payments on the basis of negotiated fees; and
- any amount of benefits that a Primary Plan does not pay because the covered person fails to comply with the Primary Plan's managed care or utilization review provisions, these include provisions requiring:
  - second surgical opinions;
  - pre-certification of services;
  - use of providers in a Plan's network of providers; or
  - any other similar provisions.

We won't use this provision to refuse to pay benefits because an HMO member has elected to have dental services provided by a non-HMO provider and the HMO's contract does not require the HMO to pay for providing those services.

**Claim Determination Period** means a period that starts on any January 1 and ends on the next December 31. A Claim Determination Period for any covered person will not include periods of time during which that person is not covered under This Plan.

**Custodial Parent** means a Parent awarded custody, other than joint custody, by a court decree. In the absence of a court decree, it means the Parent with whom the child resides more than half of the Year without regard to any temporary visitation.

**HMO** means a Health Maintenance Organization or Dental Health Maintenance Organization.

**Job-Related Injury or Sickness** means any injury or sickness:

- for which You are entitled to benefits under a workers' compensation or similar law, or any arrangement that provides for similar compensation; or
- arising out of employment for wage or profit.

**Parent** means a person who covers a child as a dependent under a Plan.

## DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

**Plan** means any of the following if it provides benefits or services for an Allowable Expense:

- a group insurance plan;
- an HMO;
- a blanket plan;
- uninsured arrangements of group or group type coverage;
- a group practice plan;
- a group service plan;
- a group prepayment plan;
- any other plan that covers people as a group;
- motor vehicle No Fault coverage if the coverage is required by law; and
- any other coverage required or provided by any law or any governmental program, except Medicaid.

**The term does not include any of the following:**

- individual or family insurance or subscriber contracts;
- individual or family coverage through closed panel Plans or other prepayment, group practice or individual practice Plans;
- hospital indemnity coverage;
- a school blanket plan that only provides accident-type coverage on a 24 hour basis, or a "to and from school basis," to students in a grammar school, high school or college;
- disability income protection coverage;
- accident only coverage;
- specified disease or specified accident coverage;
- nursing home or long term care coverage; or
- any government program or coverage if, by state or Federal law, its benefits are excess to those of any private insurance plan or other non-government plan.

The provisions of This Plan which limit benefits based on benefits or services provided under;

- Government Plans; or
- Plans which the employer , Policyholder (or an affiliate) contributes to or sponsors;

will not be affected by these Coordination of Benefits provisions.

Each policy, contract or other arrangement for benefits is a separate Plan. If part of a Plan reserves the right to reduce what it pays based on benefits or services provided by other Plans, that part will be treated separately from any parts which do not.

**This Plan** means the dental benefits described in this certificate, except for any provisions in this certificate that limit insurance based on benefits for services provided under government plans, or plans which the employer (or an affiliate) contributes to or sponsors.

**Primary Plan** means a Plan that pays its benefits first under the "Rules to Decide Which Plan Is Primary" section. A Primary Plan pays benefits as if the Secondary Plans do not exist.

**Secondary Plan** means a Plan that is not a Primary Plan. A Secondary Plan may reduce its benefits by amounts payable by the Primary Plan. If there are more than two Plans that provide coverage, a Plan may be Primary to some plans, and Secondary to others.

## DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

### RULES TO DECIDE WHICH PLAN IS PRIMARY

When more than one Plan covers the person for whom Allowable Expenses were incurred, We determine which plan is primary by applying the rules in this section.

When there is a basis for claim under This Plan and another Plan, This Plan is Secondary unless:

- the other Plan has rules coordinating its benefits with those of This Plan; and
- this Plan is primary under This Plan's rules.

The first rule below which will allow Us to determine which Plan is Primary is the rule that We will use.

**Dependent or Non-Dependent:** A Plan that covers a person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is Primary and shall pay its benefits before a Plan that covers the person as a dependent; except that if the person is a Medicare beneficiary and, as a result of federal law or regulations, Medicare is:

- Secondary to the Plan covering the person as a dependent; and
- Primary to the Plan covering the person as other than a dependent (e.g., a retired employee),

then the order of benefits between the two Plans is reversed and the Plan that covers the person as a dependent is Primary.

**Child Covered Under More Than One Plan – Court Decree:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, and the specific terms of a court decree state that one of the Parents must provide health coverage or pay for the Child's health care expenses, that Parent's Plan is Primary if the Plan has actual knowledge of those terms. This rule applies to Claim Determination Periods that start after the Plan is given notice of the court decree.

**Child Covered Under More Than One Plan – The Birthday Rule:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, the Primary Plan is the Plan of the Parent whose birthday falls earlier in the Year if:

- the Parents are married; or
- the Parents are not separated (whether or not they have ever married); or
- a court decree awards joint custody without specifying which Parent must provide health coverage.

If both Parents have the same birthday, the Plan that covered either of the Parents longer is the Primary Plan.

However, if the other Plan does not have this rule, but instead has a rule based on the gender of the parent, and if as a result the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

**Child Covered Under More than One Plan – Custodial Parent:** When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, if the Parents are not married, or are separated (whether or not they ever married), or are divorced, the Primary Plan is:

- the Plan of the Custodial Parent; then
- the Plan of the spouse of the Custodial Parent; then
- the Plan of the non-custodial Parent; and then
- the Plan of the spouse of the non-custodial Parent.

## DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)

**Active or Inactive Employee:** A Plan that covers a person as an employee who is neither laid off nor retired is Primary to a Plan that covers the person as a laid-off or retired employee (or as that person's Dependent). If the other Plan does not have this rule and, if as a result, the Plans do not agree on the order of benefits, this rule is ignored.

**Continuation Coverage:** The Plan that covers a person as an active employee, member or subscriber (or as that employee's Dependent) is Primary to a Plan that covers that person under a right of continuation pursuant to federal law (e.g., COBRA) or state law. If the Plan that covers the person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule shall not apply.

**Longer/Shorter Time Covered:** If none of the above rules determine which Plan is Primary, the Plan that has covered the person for the longer time shall be Primary to a Plan that has covered the person for a shorter time.

**No Rules Apply:** If none of the above rules determine which Plan is Primary, the Allowable Expenses shall be shared equally between all the Plans. In no event will This Plan pay more than it would if it were Primary.

### EFFECT ON BENEFITS OF THIS PLAN

If This Plan is Secondary, when the total Allowable Expenses incurred by a covered person in any Claim Determination Period are less than the sum of:

- the benefits that would be payable under This Plan without applying this Coordination of Benefits provision; and
- the benefits that would be payable under all other Plans without applying Coordination of Benefits or similar provisions;

then We will reduce the benefits that would otherwise be payable under This Plan. The sum of these reduced benefits plus all benefits payable for such Allowable Expenses under all other Plans will not exceed the total of the Allowable Expenses. Benefits payable under all other Plans include all benefits that would be payable if the proper claims had been made on time.

### RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

We need certain information to apply the Coordination of Benefits rules. We have the right to decide which facts We need. We may get facts from or give them to any other organization or person. We do not need to tell, or get the consent of, any person or organization to do this. To obtain all benefits available, a covered person who incurs Allowable Expenses should file a claim under each Plan which covers the person. Each person claiming benefits under This Plan must give us any facts We need to pay the claim.

## **DENTAL INSURANCE: COORDINATION OF BENEFITS (continued)**

### **FACILITY OF PAYMENT**

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, We may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes benefits provided in the form of services, in which case We may pay the reasonable cash value of the benefits provided in the form of services.

### **RIGHT OF RECOVERY**

If the amount We pay is more than We should have paid under this Coordination of Benefits provision, We may recover the excess from one or more of:

- the person We have paid or for whom We have paid;
- insurance companies; or
- other organizations.

The amount of the payment includes the reasonable cash value of any benefits provided in the form of services.

## FILING A CLAIM

For Dental Insurance, all claim forms needed to file for benefits under the group insurance program can be obtained by calling MetLife at 1-800-275-4638. Dental claim forms can also be downloaded from [www.metlife.com/dental](http://www.metlife.com/dental). The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

When We receive the claim form and Proof, We will review the claim and, if We approve it, We will pay benefits subject to the terms and provisions of this certificate and the Group Policy.

### CLAIMS FOR DENTAL INSURANCE BENEFITS

**When a claimant files a claim for Dental Insurance benefits described in this certificate**, both the notice of claim and the required Proof should be sent to Us within 90 days of the date of a loss.

Claim and Proof may be given to Us by following the steps set forth below:

#### **Step 1**

A claimant can request a claim form by calling Us at 1-800-275-4638.

#### **Step 2**

We will send a claim form to the claimant within 15 days of the request. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

#### **Step 3**

When the claimant receives the claim form the claimant should fill it out as instructed and return it with the required Proof described in the claim form.

#### **Step 4**

The claimant must give Us Proof not later than 90 days after the date of the loss.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given as soon as is reasonably possible.

**Time Limit on Legal Actions.** A legal action on a claim for Dental Insurance benefits may only be brought against Us during a certain period. This period begins 60 days after the date Proof is filed and ends 3 years after the date such Proof is required.

# DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

## Procedures for Presenting Claims for Dental Insurance Benefits

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from [www.metlife.com/dental](http://www.metlife.com/dental). The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

## Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-275-4638.

## Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required Proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

## Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

Such notification will be provided to You within a 30 day period from the date You submitted Your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of the Plan. If MetLife needs such an extension, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify You as to its claim decision. You will have 45 days to provide the requested information from the date You receive the notice requesting further information from MetLife.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

## Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form after receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

## DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (continued)

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

## **PLAN PRIVACY INFORMATION**

Notwithstanding any other Plan provision in this or other sections of the Plan, the Plan will operate in accordance with the HIPAA privacy laws and regulations as set forth in 45 CFR Parts 160 and 164, and as they may be amended ("HIPAA"), with respect to protected health information ("PHI") as that term is defined therein. The Plan Administrator and/or his or her designee retains full discretion in interpreting these rules and applying them to specific situations. All such decisions shall be given full deference unless the decision is determined to be arbitrary and capricious.

The term "Plan Sponsor" means Egyptian Area Schools Employee Benefit Trust.

The term "Plan Administrator" means the entity designated as Plan Administrator by the Plan documents pursuant to which the plan is operated. If a Plan Administrator is not designated by the plan documents, the Plan Sponsor shall be deemed to be the Plan Administrator.

### **I. Permitted Uses and Disclosures of PHI by the Plan and the Plan Sponsor**

The Plan and the Plan Sponsor are permitted to use and disclose PHI for the following purposes, to the extent they are not inconsistent with HIPAA:

- For general plan administration, including policyholder service functions, enrollment and eligibility functions, reporting functions, auditing functions, financial and billing functions, to assist in the administration of a consumer dispute or inquiry, and any other authorized insurance or benefit function.
- As required for computer programming, consulting or other work done in respect to the computer programs or systems utilized by the Plan.
- Other uses relating to plan administration, which are approved in writing by the Plan Administrator or Plan Privacy Officer.
- At the request of an individual, to assist in resolving claims the individual may have with respect to benefits under the Plan.

### **II. Uses and Disclosures of PHI by the Plan and the Plan Sponsor for Required Purposes**

The Plan and Plan Sponsor may use or disclose PHI for the following required purposes:

- Judicial and administrative proceedings, in response to lawfully executed process, such as a court order or subpoena.
- For public health and health oversight activities, and other governmental activities accompanied by lawfully executed process.
- As otherwise may be required by law.

### **III. Sharing of PHI With the Plan Sponsor**

As a condition of the Plan Sponsor receiving PHI from the Plan, the Plan Documents have been amended to incorporate the following provisions, under which the Plan Sponsor agrees to:

- Not use or further disclose PHI other than as permitted or required by the plan documents in Sections I and II above;
- Ensure that any agents to whom it provides PHI received from the Plan agree to the same restrictions and conditions that apply to the Plan Sponsor;

- Not use or disclose PHI for employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the Plan Sponsor;
- Report to the Plan any use or disclosure of the information that is inconsistent with the permitted uses or disclosures of which it becomes aware;
- Make PHI available to Plan participants for the purposes of the rights of access and inspection, amendment, and accounting of disclosures as required by HIPAA;
- Make its internal practices, books and records relating to the use and disclosure of PHI received from the Plan available to the Secretary of the U.S. Department of Health and Human Services for purposes of determining compliance by the Plan with HIPAA;
- If feasible, return or destroy all PHI received from the Plan that the sponsor still maintains in any form and retain no copies of such information when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible;
- Ensure that adequate separation between the Plan and Plan Sponsor is established in accordance with the following requirements:

(A) Employees to be Given Access to PHI: The following employees (or class of employees) of the Plan Sponsor are the only individuals that may access PHI provided by the Plan:

Administrative Manager, Bookkeeper, Human Resource Benefit Administrator

(B) Restriction to Plan Administration Functions: The access to and use of PHI by the employees of the Plan Sponsor designated above will be limited to plan administration functions that the Plan Sponsor performs for the Plan.

(C) Mechanism for Resolving issues of Noncompliance: If the Plan Administrator or Privacy Officer determines that an employee of the Plan Sponsor designated above has acted in noncompliance with the plan document provisions outlined above, then the Plan Administrator or Privacy Officer shall take or seek to have taken appropriate disciplinary action with respect to that employee, up to and including termination of employment as appropriate. The Plan Administrator or Privacy Officer shall also document the facts of the violation, actions that have been taken to discipline the offending party and the steps taken to prevent future violations.

Certify to the Plan, prior to the Plan permitting disclosure of PHI to the Plan Sponsor, that the Plan Documents have been amended to incorporate the provisions in this Section.

#### **IV. Participants Rights**

Participants and their covered dependents will have the rights set forth in the Plan's or its dental insurer's HIPAA Notice of Privacy Practices for Protected Health Information and any other rights and protections required under the HIPAA. The Notice may periodically be revised by the Plan or its dental insurer.

#### **V. Privacy Complaints/Issues**

All complaints or issues raised by Plan participants or their covered dependents in respect to the use of their PHI must be submitted in writing to the Plan Administrator. A response will be made within 30 days of the receipt of the written complaint. In the event more time is required to resolve any issues this period can be extended to 90 days. The affected participant must receive written notice of the extension and the resolution of their complaint. The Plan Administrator shall have full discretion in resolving the complaint and making any required interpretations and factual determinations. The decision of the Plan Administrator shall be final and be given full deference by all parties.

## **VI. Security**

As a condition of the Plan Sponsor receiving electronic PHI (“ePHI”) from the Plan, the Plan Documents have been amended to incorporate the following provisions, under which the Plan Sponsor agrees to:

- Implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the ePHI that it creates, receives, maintains, or transmits on behalf of the Plan;
- Ensure that the adequate separation between the Plan and the Plan Sponsor, which is required by the applicable section(s) of the Plan relating to the sharing of PHI with the Plan Sponsor, is supported by reasonable and appropriate security measures;
- Ensure that any agent to whom it provides ePHI agrees to implement reasonable and appropriate security measures to protect the information; and
- Report to the Plan any security incident of which it becomes aware. In this context, the term “security incident” means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in information systems such as hardware, software, information, data, applications, communications, and people.

## **Uniformed Services Employment And Reemployment Rights Act**

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

### **Continuation of Group Dental Insurance:**

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your dental insurance coverage under your employer’s group dental insurance policy ends, you may elect to continue dental insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for dental insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total dental insurance premium, including any amount that your employer was paying before the leave began.

You and your covered dependents insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have dental insurance coverage under your employer’s group dental insurance policy pursuant to USERRA. Contact your employer for more information.

#### **Maximum Continuation Period**

If Dental Insurance on Your Dependents ends because the Group Policy ends, the maximum continuation period will be 39 weeks.

If Dental Insurance on Your Dependents ends for any other reason, the maximum continuation period will be the longest of the following that applies:

- 36 months if Dental Insurance on Your Dependents ends because You die, except that with respect to a Spouse who is age 55 or older when You die, the maximum continuation period will end when Your surviving Spouse becomes eligible for Medicare or eligible for participation in another employer's group dental coverage;

#### **Maximum Continuation Period (Continued)**

- 29 months if the Covered Person becomes entitled to disability benefits under Social Security within 60 days of the date the Covered Person's coverage under the Group Policy would otherwise end; or

#### **Cessation of Dental Insurance on Your Dependents**

# CONSUMER GUIDE TO EXTERNAL APPEAL

### What is an External Appeal?

New Hampshire law gives individuals who are covered by fully-insured, health or dental insurance plans the right to have a nationally-accredited, independent, medical review organization (IRO), which is not affiliated with his/her insurance company, review and assess whether the company's denial of a specific claim or requested service or treatment is justified. This type of review is available when a recommended service or treatment is denied on the basis that it does not meet the insurer's requirements for medical necessity, appropriateness, health care setting, and level of care or effectiveness. This review is often called Independent External Appeal, **External Appeal**, External Health Review or simply External Review.

### What are the eligibility requirements for External Appeal?

To be eligible for External Appeal the following conditions must be met:

- The patient must have a fully-insured health or dental insurance plan.
- The service that is the subject of the appeal request must be either a) a covered benefit under the terms of the insurance policy or b) a treatment that may be a covered benefit.
- Unless the patient meets the requirements for Expedited External Review (see below), the patient must have completed the Internal Appeal process provided by the insurer and have received a final, written decision from the insurer relative to its review.
  - Exception #1: The patient does not need to meet this requirement, if the insurer agrees in writing to allow the patient to skip its Internal Appeal process.
  - Exception #2: If the patient requested an internal appeal from the insurer, but has not received a decision from the insurer within the required time frame, the patient may apply for External Appeal without having received the insurer's final, written decision.
- The patient must submit the request for External Appeal to the Department within 180 days from the date appearing on the insurance company's letter, denying the requested treatment or service at the final level of the company's Internal Appeals process.
- The patient's request for External Appeal may not be submitted for the purpose of pursuing a claim or allegation of healthcare provider malpractice, professional negligence, or other professional fault.

### What types of health insurance are excluded from External Appeal?

In general, External Appeal is available for most health insurance coverage. Service denials relating to the following types of insurance coverage or health benefit programs are not reviewable under New Hampshire's External Appeal law:

- Medicaid (except for coverage provided under the NH Premium Assistance Program)
- The New Hampshire Children's Health Insurance Program (CHIP)
- Medicare
- All other government-sponsored health insurance or health services programs.
- Health benefit plans that are self-funded by employers
  - Note: Some self-funded plans provide external appeal rights which are administered by the employer.

### Can someone else represent me in my External Appeal?

Yes. A patient may designate an individual, including the treating health care provider, as his/her representative. To designate a representative, the patient must complete Section II of the External Review Application Form entitled "Appointment of Authorized Representative."

### Submitting the External Appeal:

To request an External Appeal, the patient or the designated representative must complete and submit the External Review Application Form, available on the Department's website ([www.nh.gov/insurance](http://www.nh.gov/insurance)), and all supporting documentation to the New Hampshire Insurance Department. There is no cost to the patient for an External Appeal.

Please submit the following documentation:

- The completed External Review Application Form - signed and dated on page 6.
- \*\* The Department cannot process this application without the required signature(s) \*\*
- A photocopy of the front and back of the patient's insurance card or other evidence that the patient is insured by the insurance company named in the appeal.
- A copy of the insurance company's letter, denying the requested treatment or service at the final level of the company's internal appeals process.
- Any medical records, statements from the treating health care provider(s) or other information that you would like the review organization to consider in its review.
- If requesting an Expedited External Appeal, the Provider's Certification Form.

If you have questions about the application process or the documentation listed above, please call the Insurance Department at 1-800-852-3416.

## **What is the Standard External Appeal Process and Time Frame for receiving a Decision?**

It may take up to 60 days for the Independent Review Organization (IRO) to issue a decision in a Standard External Appeal.

- Within 7 business days after receiving your application form, the Insurance Department (the Department) will complete a preliminary review of your application to determine whether your request is complete and whether the case is eligible for external review.
  - If the request is not complete, the Department will inform the applicant what information or documents are needed in order to process the application. The applicant will have 10 calendar days to supply the required information or documents.
- If the request for external appeal is accepted, the Department will select and assign an IRO to conduct the external review and will provide a written notice of the acceptance and assignment to the applicant and the insurer.
- Within 10 calendar days after assigning your case to an IRO, the insurer must provide the applicant and the IRO a copy of all information in its possession relevant to the appeal.
- If desired, the applicant may submit additional information to the IRO by the 20th calendar day after the date the case was assigned to the selected IRO. During this period, the applicant may also present oral testimony via telephone conference to the IRO. However, oral testimony will be permitted only in cases where the Insurance Commissioner determines that it would not be feasible or appropriate to present only written information.
  - To request a “teleconference,” complete Section VII of the application form entitled “Request for a Telephone Conference” or contact the Department no later than 10 days after receiving notice of the acceptance of the appeal.
- By the 40th calendar day after the date the case was assigned to the selected Independent Review Organization, the IRO shall a) review all of the information and documents received, b) render a decision upholding or reversing the determination of the insurer, and c) notify in writing the applicant and the insurer of the IRO’s review decision.

## **What is an Expedited External Appeal?**

Whereas a Standard External Appeal may take 60 days, Expedited External Appeal is available for those persons who would be significantly harmed by having to wait. An applicant may request expedited review by checking the appropriate box on the External Review Application Form and by providing a Provider’s Certification Form, in which the treating provider attests that in his/her medical opinion adherence to the time frame for standard review would seriously jeopardize the patient’s life or health or would jeopardize the patient’s ability to regain maximum function. Expedited reviews must be completed in 72 hours.

If the applicant is pursuing an internal appeal with the insurer and anticipates requesting an Expedited External Appeal, please call the Department at 800-852-3416 to speak with a consumer services officer, so that accommodations may be made to receive and process the expedited request as quickly as possible.

Please note a patient has the right to request an Expedited External Appeal simultaneously with the insurer’s Expedited Internal Appeal.

**What happens when the Independent Review Organization makes its decision?**

- If the appeal was an Expedited External Appeal, in most cases the applicant and insurer will be notified of the IRO's decision immediately by telephone or fax. Written notification will follow.
- If the appeal was a Standard External Appeal, the applicant and insurer will be notified in writing.
- The IRO's decision is binding on the insurer and is enforceable by the Insurance Department. The decision is also binding on the patient except that it does not prevent the patient from pursuing other remedies through the courts under federal or state law.

# INDEPENDENT EXTERNAL REVIEW Appealing a Denied Medical or Dental Claim

New Hampshire law gives individuals who are covered by fully-insured, health or dental insurance plans the right to have a nationally-accredited, independent, medical review organization (IRO), which is not affiliated with his/her health insurance company, review and assess whether the company's denial of a specific claim or requested service or treatment is justified. These reviews are available when a recommended service or treatment is denied on the basis that it does not meet the insurer's requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness. This review is called Independent External Appeal, External Health Review or simply **External Review**.

There is no cost to the patient for an external review.

To be eligible for **Standard External Review**, the patient must (1) have a fully-insured health or dental insurance plan, (2) have completed the insurer's internal appeal process, and (3) have received a final denial of services from the insurer. A standard external review must be submitted to the Insurance Department within 180 days of the insurance company's final denial and may take up to 60 days for the IRO to make its decision.

To be eligible for **Expedited External Review**, the patient must (1) have a fully-insured health or dental insurance plan, and (2) the treating provider must certify that delaying treatment will seriously jeopardize the life or health of the patient or will jeopardize the patient's ability to regain maximum function. IROs must complete expedited reviews within 72 hours. An expedited external review may be requested and processed at the same time the patient pursues an expedited internal appeal directly with the insurance company.

For more information about external reviews, see the Insurance Department's Consumer Guide to External Review, available at [www.nh.gov/insurance](http://www.nh.gov/insurance), or call 800-852-3416 to speak with a Consumer Services Officer.

# PROVIDER'S CERTIFICATION FORM

For Expedited Consideration of a Patient's External Review

## **NOTE TO THE TREATING HEALTH CARE PROVIDER**

The New Hampshire Insurance Department administers the external review process for all fully-insured health and dental plans in New Hampshire. A patient may submit an application for External Review, when his/her health or dental insurer has denied a health care service or treatment, including a prescription, on the basis that the requested treatment or service does not meet the insurer's requirements for medical necessity, appropriateness, health care setting, level of care or effectiveness.

The time frame for receiving a decision from an Independent Review Organization (IRO) for a Standard External Review is up to 60 days. Expedited External Review is available, **only if** the patient's treating health care provider certifies that, in his/her professional judgment, adherence to the time frame for standard review **would seriously jeopardize the life or health of the covered person or would jeopardize the covered person's ability to regain maximum function.** The time frame for receiving a decision from an IRO for an Expedited External Review is within 72 hours. An Expedited External Review may be requested and processed at the same time the patient pursues an Expedited Internal Appeal directly with the insurance company.

**\*\* Expedited External Review is not available, when services have already been rendered \*\***

## **PROVIDER CERTIFICATION**

I hereby certify that I am a treating health care provider for \_\_\_\_\_ (hereafter referred to as “the patient”); that adherence to the time frame for conducting a standard review of the patient’s external review would, in my professional judgment, seriously jeopardize the life or health of the patient or would jeopardize the patient’s ability to regain maximum function; and that for this reason, the patient’s appeal of the denial by the patient’s health insurer of requested medical services should be processed on an expedited basis.

I am aware that the Independent Review Organization (IRO) may need to contact me during non-business hours for medical information and that a decision will be made by the IRO within 72 hours of receiving this Expedited External Review request, regardless of whether or not I provide medical information to the IRO.

During non-business hours I may be reached at: (\_\_\_\_\_) \_\_\_\_\_.
